CITATION

February 2010

On behalf of the National Alliance on Mental Illness (NAMI) of Massachusetts, I would like to congratulate Bournewood Health Systems on reaching its 125th anniversary, a milestone.

Over the years, Bournewood Health Systems has earned its reputation for providing excellent psychiatric care for patients in the greater Boston area. Further, Bournewood's ongoing commitment to offering a comprehensive spectrum of services fills an important need in the mental health field.

NAMI of Massachusetts wishes Bournewood continued success with its operations over the coming years.

Sincerely,

Laurie Martinelli
